I am Responsible.....

When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that, I am responsible.

*Language of the Heart***

... Because of our kinship in suffering, and because our common means of deliverance are effective for ourselves only when constantly carried to others, our channels of contact have always been charged with the language of the heart.

**As Bill Sees It, pp. 195

Is A.A. For You?

1. **Yes** **No** Have you ever decided to stop drinking for a week or so, but only lasted for a couple of days?

Did you answer YES four or more times? If so, you are probably in trouble with alcohol. Why do we say this? Because thousands of people in A.A. have said so for many years. They found out the truth about themselves – the hard way.

Only you can decide whether you want to give A.A. a try – whether you think it can help you or not.

Rarely have we seen a person fail, who has thoroughly followed our path...

THE TWELVE SUGGESTED STEPS OF ALCOHOLICS ANONYMOUS

1. We admitted we were powerless over alcohol – that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all the persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

The only requirement for membership is a desire to stop drinking.

Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
